The Court, on its own initiative, and considering the circumstances of the children and the parties to the cases resulting from the April intervention at the Yearning for Zion Ranch, finds that discovery should be suspended until such time as one or more Discovery Control Plan Orders can be considered and adopted by this Court.

This Court will consider agreements or suggestions for appropriate orders, and will consider the proposed order submitted by the Department. Any proposed orders, agreements or suggestions shall be submitted to this Court by Aug 18, 2008, after which time this Court will sign and issue appropriate Discovery Control Plan Orders.

SIGNED on the 24 day of July, 2008.
